

Commitment to Serve

I, _____ commit to serve Christ as a member of the KickStart Team from _____ [date] to _____ [date] at which time I may consider reappointment to another year.

As a member of KickStart I understand and will abide by the following guidelines:

1. Ministry is our priority, not our own glory.
2. I am a representative of KickStart and will act in a professional manner at all times.
3. I am an ambassador of God, through Jesus Christ, and my actions will reflect that relationship (Colossians 3:17 & 2 Corinthians 5:20).
4. I will give of my best at all times in the service I have accepted. I understand that it is not ability or qualifications, but faithfulness to my assigned task that is of supreme importance.
5. I understand that it is my responsibility to be at each KickStart event.
6. When asked to do a task I will do my best to carry out that task.
7. If there is something that needs to be done, I will do it. This ministry is mine and I will take ownership and be excellent.
8. If there is a slacker I will pick up their slack.
9. If I have a question or a problem I will consult with someone else who can help address the problem.
10. The day is not over until everything is done and complete.
11. Malicious sarcasm is not an option between myself and my team members. We are a team, a family, and we don't cut each other down with the intention to hurt.
12. If at any time I am unable to fulfil such requirements of KickStart, whether physical or spiritual, I will be a man/woman of integrity and I will address the situation with the KickStart team. At that time, appropriate actions will be taken for the good of myself and the team.
13. I affirm the statements of belief of the KickStart mission statement and will conduct myself in such a manner as to glorify God through the statement.
